

# Digital Storytelling with Maps

Jo Klein, GIS & Data Visualization Librarian

# Hi, I'm Jo

GIS & Data Visualization Librarian

About me & what I do: [go.uncg.edu/joklein](https://go.uncg.edu/joklein)

Email & Google Hangouts: [ejklein@uncg.edu](mailto:ejklein@uncg.edu)

Schedule a virtual meeting with me:  
[uncg.libcal.com/appointments/JoKlein](https://uncg.libcal.com/appointments/JoKlein)

Drop-in help every Monday and Thursday from  
3-5PM; just start a chat with me in Google Hangouts!

## Today's Objectives:

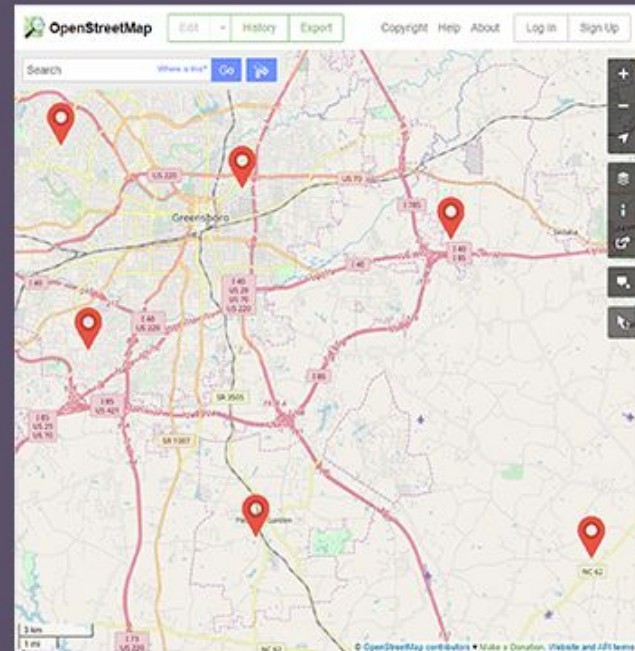

- ▣ Webmaps and story maps
- ▣ Best practices for creating story maps
- ▣ Activity: creating ArcGIS Story Maps

1. Create an ArcGIS public account & log in at [ArcGIS.com](https://www.arcgis.com)
2. Request to join group: [UNCG Library Workshop - HIS631 Story Maps](#)

1.

# Webmaps and story maps

# Webmaps & Tiles

## Tools for Building Story Maps

- ▣ ArcGIS Story Maps - customizable, good support, big name, can purchase more options
- ▣ Knight Lab's StoryMapJS - free, easy to use, customizable using javascript and other software

### Other mapping tools:

- ▣ Google Maps ("My Maps")
- ▣ And more!

2.

Best practices for  
creating story maps

3.

Let's create an ArcGIS  
Story Map!

1. Create an ArcGIS public account & log in at [ArcGIS.com](https://www.arcgis.com)
2. Request to join group: [UNCG Library Workshop - HIS631 Story Maps](#)

Thanks!

Any questions?
